A2i makes your information accessible to people with disabilities. We believe both printed documents and online content can be accessible to everyone.

# How our pricing works

Our prices depend on the length and complexity of the text. Most of our formats have 3 price brackets:

We hope this price guide will help you estimate our prices when you need to, but we know that every document is unique so please just send a copy to us for a fixed quote.

**£5.00**

per 500 words  
simple text

**£11.80**

per 500 words  
complex text

**£22.60**

per 500 words  
specialist text

**£0.65**

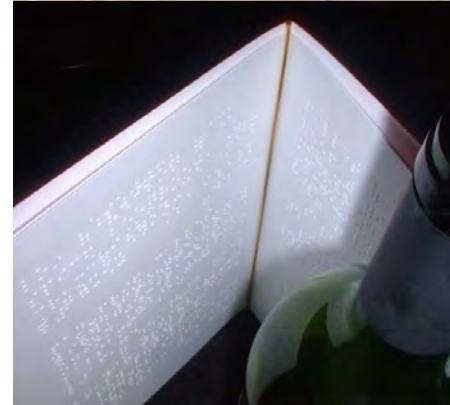

per 500 words  
extra copies

## Our standard presentation

High quality UEB Grade 2 Braille. Our Braille is presented double-sided on A4 white 120-160gsm paper, with black ink title and your logo on the cover. Braille documents are bound using stapling/comb-binding/filing, depending on size.

## Other options

- More presentation styles
- Maths Braille – up to degree level
- Braille labels
- Braille business cards

An accessible chair?  
Even “eye-catching” can be made  
accessible!

Our Braille chair was created  
by our team as a talking  
point and to raise awareness  
of tactile accessibility

# Audio

**£6.30**

per 500 words  
simple text

**£11.80**

per 500 words  
complex text

**£22.60**

per 500 words  
specialist text

**£1.80**

per CD  
extra copies

## Our standard presentation

We use human voice recorded as wav files and produced on Audio CD as standard. Titles and logos are printed on the CD. CDs are packed into wallets or cases, depending on the number of CDs in the set.

## Other options

- mp3 files, on CD or sent digitally
- Production on other media such as DVD or USB
- Digital voice – a good option for utility bills and bank statements
- Braille labels
- Inlay cards

# T Large Print

**£5.00**

per 500 words  
simple text

**£11.80**

per 500 words  
complex text

**£22.60**

per 500 words  
specialist text

**£0.40**

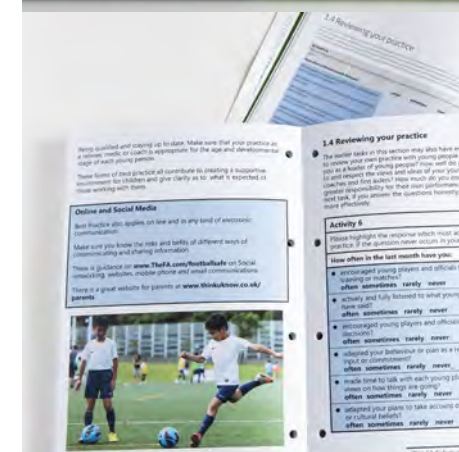

per 500 words  
extra copies

## Our standard presentation

Large Print is produced on A4 pale yellow 120gsm paper for maximum clarity. Large Print documents are bound using stapling, comb-binding, or filing, depending on size.

## Other options

- Various sizes and binding styles
- Premium Large Print – adaptation to match the style of the original, maintaining branding & design as closely as possible

**£75.00**

per 500 words  
long documents  
(usually >3000 words)

**£180.00**

per 500 words  
short documents  
(usually <3000 words)

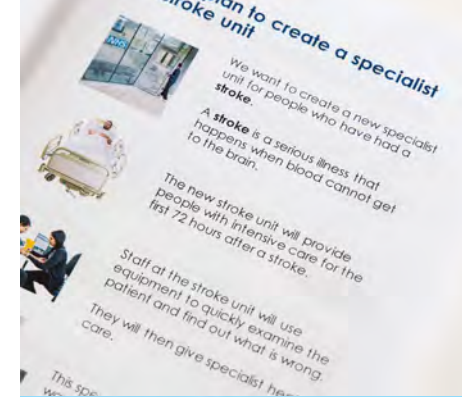

Our rates reflect that short documents need to be expanded and explained to provide clarity, but long documents need to be condensed and summarised.

## Our standard presentation

Easy Read is produced as an online-ready PDF, A4 size, portrait. We use corporate-colour or black text on white background, with specialist full colour images.

## Other options

- Print production
- Accessible PDFs to meet online accessibility standards
- PDFs as fillable forms for surveys and questionnaires
- Easy Read Videos
- Easy Read Web Content

Why should people be disadvantaged or disabled by the way information is presented? Surely we can make documents, websites and information accessible to everyone?

I believe we have had a really positive impact on many people with our work. We want to continue making a difference.

Our aim is to provide high quality transcribed documents that enable disabled people to access information as easily as non-disabled people.
